Property Description

Nestled within the sought-after Costa Verde Estates along Costa Rica's enchanting southern coast, this property epitomizes luxury living harmoniously integrated with permaculture principles. Boasting access to a suite of world-class amenities—including a helipad, tennis court, gymnasium, security gate with guard, fiber optic internet, park, and clubhouse—residents are offered an unparalleled lifestyle experience. This one of a kind lot is over 2.5 acres with huge building pad, and the almost all of usable. There are captivating panoramic views of the iconic whales tail and the sunset further enhance the allure of this property, inviting residents to immerse themselves in the breathtaking beauty of nature's spectacle. Positioned perfectly to capture the mesmerizing hues of twilight, the property fosters a deep connection with the environment, enriching the living experience. Included with this gorgeous lot is a black bamboo greenhouse, a striking architectural marvel by world-renowned architect James Wolfe.
