Property Description

Just a short stroll away from Uvita Beach, the Beach Villa offers a location for nature lovers and investors. Surrounded by the Marino Ballena National Park, known for its geological formations such as the Whales Tail, this property is a gem worth considering. Within walking distance of the park entrance, the villa is nestled in an area with residential projects and picturesque views of mountains and lush jungle. With a 310 m² lot hosting a 250 m² house, this property boasts both charm and potential. The house features a tropical garden outside, accessible from a spacious suite. At the entrance, there is an area with a 5×3-meter pool surrounded by greenery, along with a covered space of 30 square meters that includes a barbecue area for enjoying the outdoors in the shade by the pool. This outdoor space is equipped with amenities like a sink, work table, garden furniture, and hammock, as well as parking for multiple vehicles.
