Property Description

Steps to the beach and a large common pool from this fully remodeled ocean view home. This 3 bedroom, 2 bathroom furnished 1,500 square foot air conditioned property has been totally restored and offers a spectacular ocean view from all corners of the house. It is located next to the lovely community pool and is a short walk to the desired Ocotol Beach. The kitchen, dining room, living room, laundry room, master suite and bathroom, as well as a new big covered patio off the living room, are all located on the main floor of this two-story home. There are two private bedrooms and a large bathroom below. The enormous ocean view community pool and rancho are almost directly accessible. The entire house has been remodeled, including a new kitchen and bathrooms with granite counter tops, appliances, and fixtures, as well as new flooring. A completely new covered deck was created off the main great room area, providing more living space and emphasizing the spectacular ocean view.
