Property Description

Tucked in on a secluded 0.28-acre plot in the Osa Peninsula, Costa Rica, this delightful 2-bedroom home with a separate guest suite offers a perfect escape into nature. Surrounded by the dense, vibrant jungle of one of the most biodiverse spots on the planet, this home promises privacy and a direct connection with nature, making it ideal for relaxation or as a tranquil base for eco-tourists. The heart of this property is a beautifully appointed main house featuring high vaulted wood laminate ceilings which enhance the airy, open feel of the space, while real wood floors add a touch of rustic elegance. The large windows and sliding doors open onto a composite deck, ensuring durability against the elements and providing a seamless indoor-outdoor living experience. The kitchen is newly remodeled with modern appliances, including a 6-burner stove and a double-door refrigerator, ideal for those who enjoy cooking and entertaining.
