Property Description

Completed in June 2025, this newly built villa offers a thoughtful combination of modern design, comfort, and natural surroundings. Situated just 800 meters (a 10-minute walk) from Playa Avellanas, the home is set on a spacious 1,500 m² lot (approximately 16,145 ft²), surrounded by native vegetation in one of the most sought-after areas of Costa Rica's Gold Coast. The property features three bedrooms and three and a half bathrooms across 400 m² (around 4,305 ft²) of well-planned construction. The home's open-concept layout, along with high ceilings, creates a bright and connected living space. Each bedroom includes an en-suite bathroom, air conditioning, built-in closets, and access to a private terrace, providing comfort and individual space for guests or residents. The outdoor area includes a private swimming pool and landscaped gardens, all enclosed within a fully fenced lot with gated entry.
