Property Description

A unique opportunity to own a stunning apartment complex located in the heart of Santa Teresa, just 100 meters from the main beach. Perfect for anyone seeking a modern, comfortable living space or for investors looking for an active income generating property, ideal for both short and long-term rentals. This approximately 370 m² building, set on a 450 m² lot, was built between 2016 and 2017 with strong concrete foundations and contemporary design. It features four one bedroom apartments and one two bedrooms, a high speed internet, modern door systems, and is currently operating with both long and short-term tenants. The property includes ample parking, a secure environment, and a private swimming pool ideal for sunny days. Conveniently located near restaurants, schools, health services, and local transportation. An exceptional real estate investment with high rental demand in one of Costa Rica's most sought after coastal towns.
