- Investment Opportunities

Property Description

Land facing a paved. The land is flat with a moderate slope towards the back of the land. Ideal for housing development, logistics or storage warehouses, church, mixed development, etc. According to the regulatory plan of the municipality of Greece, the property is located in the Future Development Zone (ZDF), which makes the property very versatile so that it can be developed in different areas of business. In front of the property is the three-phase and fiber optic type electrical wiring, it also has access to water for its development. The sale Price of only \$22 per m² greatly favors the project to be developed. Excellent location just 5 minutes from the center of Grecia and 1,300 meters from the street that leads to the inter-American highway where PANDUIT (company of electrical and network infrastructure solutions) is located.
