Property Description

For Sale, Beautiful 4B, 4.5B Home, Office and Smart Features, La Guacima Experience comfortable and stylish living at this charming two-story home located in an exclusive, sub-condominium, complete with world-class amenities such as golf and polo, a clubhouse with a swimming pool, gym, soccer field, and tennis courts. The enclosed open-house architecture style maximizes natural light and airflow, creating an inviting and warm atmosphere. The first floor comprises a large garage, a bedroom with a full bathroom, an office with a half bathroom, and an additional room that can be used as a workshop. The spacious pantry and decent kitchen provide a view of the open dining and living room area, which leads out onto a terrace. In addition, a unique patio in the center of the house, complete with a Jacuzzi and grill area, is perfect for hosting guests or simply relaxing. The second floor boasts three decent-sized bedrooms, a TV area, and a balcony offering nice views.
