Property Description

Just five minutes from Paquera Centro, this is an original home built with love and artistic details through out. It is a comfortable home with 3 BR and 1 Bath, a large Living Room, and Outside Patios. The parking area holds 4 cars. The Backyard has several mature fruit trees and a landscaped garden. All services are available: electricity, water, TV, WIFI and garbage collection. You can't build a house in a private community for less than this
