Property Description

Spacious 3 bedroom, 3 bathroom sanctuary breathtaking beauty just minutes from the fantastic beaches near Quepos including Manuel Antonio National Park and Marina Pez Vela. This remarkable residential compound redefines indoor-outdoor. Exquisitely situated among approximately 1.4 acres of verdant lawns, magnificent trees, and outdoor living areas, the main house has been meticulously updated for tranquil living and spectacular entertaining. The main level features a vast open floor layout with custom design kitchen and cabinetry, this large air conditioned common living and dining room steps to the sensational kitchen, complete with an enormous island with seating, black granite countertops, a separate dining area, and glass doors that open to a shaded patio and pool for a fresco dining. This outdoor space also features lounge chairs to enjoy the amazing views. The main level also hosts a large master suite with a full ensuite bathroom featuring a hot tub, walk-in closet, alongside its own private balcony with outstanding ocean views.
