Property Description

Casa Colibri (Humming Bird Home) connects with nature and peaceful tranquility that has a magical essence in this special community, easy access, but tucked away from any noise or hussle and bussle. The unique, private, and safe community in Ojochal, off the highly-desired street of Calle Papagayo, is your home and lifestyle retreat. Not only does the structure of the house provide a beautiful standard of daily living, but the cascading trees of the seemingly endless pacific rainforest, and sacred local river that is only a short walk from the house, also hold you in the kind of physical, mental, and spiritual good health that attracted you to Costa Rica in the first place. THE HOUSEThis 3 bedroom 2 bathroom home embraces a traditional Latin American design but is anything but traditional. The unique open layout offers the best of indoor/outdoor living with boundless natural light, cascading jungle views, and flow and function for daily life.
