Property Description

This new construction estate embodies thoughtful style and is to be completed in December 2023. Lovingly designed to maximize ambiance & light, the construction, materials, finishes and amenities of this Architect estate impress at every turn! Great room with volume ceilings and black aluminum sliding doors opening to an outstanding covered patio space with grey stoned swimming pool. This brand-new house is built as per the latest hearth quake proof specifications and more... Modern this ground floor construction is rationally divided in two areas: night and day joined together by a lightly entrance hall. This stunning estate offers 4 bedrooms and 4,5 bathrooms spread across over 280 square meters (more than 3000 sqft) of exquisitely designed living space. Each bedroom has an ensuite bathroom and dives into an spectacular valley views and surrounding greenery. All bedrooms are fully furnished with built in wardrobe, the primary suite features a private and generous walk-in closet.
