Property Description

Looking for a private neighborhood with only a few neighboring houses? This is the place for you. It is a place away from the bustle of the road since the distance to the main street is enough to make you feel that everything is left behind... Less than 3 miles from the center of Atenas where you will find everything you need, supermarkets, pharmacies, schools and more. The houses are practically finished, only small details such as the divisions between one house and another (natural fence) are being completed to give you more privacy. The houses are rented fully furnished. Contact me and we will arrange a visit.
