Property Description

The Hills of Portalon is an excellent investment opportunity as a high-end eco-friendly neighborhood. The price include ownership in approximately 150 acres of your own private biological reserve. The private nature reserves border the purity of the surrounding land full of life and beauty. The Costa Rica Farms for sale in Hills of Portalon Estates are of the highest quality and have an authentic country atmosphere and some of the most impressive ocean views anywhere. The hill meander upward in a lush, green-covered carpet. With elevations from 500 to 1300 feet, you are constantly caressed with a nice ocean breeze. Scarlet Macaws and monkeys, among other wildlife, will regularly visit you. Here you will find Costa Rica luxury real estate farms for sale and properties between Quepos and Dominical Beach. A consciousness of the energy force is evident in the Hills of Portalon and will captivate and invigorate you.
