Property Description

Outstanding business opportunity successfully operating. The hotel consists of 6 villas located near Lake Arenal, in between two active volcanoes/national parks, Volcan Arenal and Volcan Tenorio. The elevation is 2,000 ft with surrounding mountains reaching up to 6,000 ft, which enables for the perfect climate year-round. Here you will never need neither A/C, nor heating. There is excellent road access, professionally landscaped gardens, and green zones. The Villas are fully equipped including the full-size kitchen and each villa can accommodate 4-5 people. Located hills side overlooking the lake, within 1,3-acre mature garden boasting many blooming flowers, big birds and monkeys in trees. Bordered by a creek. Popular accommodation favored by international tourists and local residents alike. The area features many tours and other natural attractions and is one of the most visited areas of entire Costa Rica.
