Property Description

Discover this beautiful property in the heart of Central Paquera, Puntarenas – a hidden gem waiting for you to call it home. Let's explore what makes this property truly special:
Panoramic Ocean Views: Wake up to awe-inspiring 180-degree vistas of the Gulf of Nicoya, offering daily sunsets and breathtaking sunrises from the hilltop.
Nature Lover's Haven: The flat land at street level is adorned with thriving fruit trees, while the property gradually ascends to reveal a remarkable teak plantation, showcasing Costa Rica's natural beauty.
Convenience at Your Fingertips: Just minutes away from the town center, you'll have easy access to supermarkets, restaurants, the hospital, police station, hardware stores, gas station, and more.
Flexible Pricing: The price is negotiable, making your dream of owning a piece of Costa Rican paradise more attainable than ever. Don't miss this golden opportunity to make this slice of heaven your own.
