Property Description

Casa Rancho Cartagena is a modern open concept design, new build, completed in January 2023, 2-Bedroom, 1 1/2 bathrooms, amazing panoramic mountain views. Privacy and tranquility await in this brand new 108 m2 (1160 Sq Ft) partially furnished home. Oversized lot of 2 acres. Lots of usable space to expand and build a casita or garage, plant more fruit trees and gardens. Ample parking, gorgeous infinite view pool, shaded deck. Location of this property is fantastic, you will be just far enough of away from the hustle and bustle of busy life but close enough to many fabulous beach communities such as Tamarindo, Playa Grande, Potrero and more. The perfect mix or relaxing but joining in on all the fun of Costa Rica.
