Property Description

This beautiful 4500-square-foot home sits on 3.5 acres in a secure, gated community. The expansive views are stunning, overlooking the jungle valley, mountains and the Pacific Ocean. If a beautiful sunset is your thing you get that too! Over half the property is professionally landscaped, and its beautiful park-like setting includes walkways, landscape furniture, and even a statue of an angel created by a well-known local artist. As you meander through the property you will note many well producing fruit trees, and very rare orchids! The whole property is fenced expertly so your dogs will be safe with plenty of area to roam, it even has a smaller fenced "run" if you need them more contained. The beautiful hand crafted "tree of life" iron gate is just one of the touches the owners felt the desire to make exquisite so it matches the surroundings they have created. Complete privacy at the end of the road yet only 800 meters to the main hwy.
