Property Description

This unique home is located in Malpais and sitting on a 13000m2 property only 2 km away from the surf beaches of Santa Teresa yet outside the crowded areas and surrounded by lush jungle and beautiful ocean views. Your backyard is the jungles canopy with daily visits of the monkeys and many bird speciesThe house has a 300m2 total area with a 2 level floor plan, with on the lower area, 3 bedrooms, one full bath and a very spacious outside deck with lounge areas and pool. On the second floor you will find the living area and fully equipped kitchen and full bathroom and access from the main house to the separate attached master bedroom with ensuite bathroom. All rooms have access to balconies/lounge areas where you can enjoy the beautifull views of the jungle and ocean. The home is cozy and decorated bohemian style, lots of wood combined with Italian metal frame works makes it one of a kindThe property is fenced with electric gate.
