Property Description

Welcome to Villa Sueños - Los Almendros 66, your dream oasis in Hacienda Pinilla, where luxury and attention to detail converge in this exquisite, brand new 7588 sq ft, 4-bedroom, 4-full bathroom, 3-half bathroom masterpiece. Every element of this home has been meticulously crafted to create a living experience that is second to none. With the expertise of an award-winning interior designer, every finishing, lighting fixture, and piece of furniture has been custom-picked to perfection. As you step inside the 12 foot custom teak swing door, you'll be immediately captivated by the grandeur of the double-high, 24-foot living room. Here, a custom-designed couch comfortably seats 18 people, setting the stage for gatherings and entertaining on a grand scale. The raised dining room boasts a dazzling crystal light fixture and floor lighting, creating an ambiance that's perfect for intimate dinners and special occasions.
